MR DAVID SINGLETON

CEO & Managing Director

David Singleton became the CEO & MD of Poseidon Nickel in July 2007. David was the Chief Executive Officer and Managing Director of Clough Limited between August 2003 and January 2007. Prior to joining Clough, he was the Group Head of Strategy, Mergers and Acquisitions for BAE Systems (formally British Aerospace) based in London.

Mr Singleton spent three successful years as the Chief Executive Officer of Alenia Marconi Systems and was based in Rome, Italy. Mr Singleton has served as a member of the National Defence Industries Council in the UK, and as a board member and Vice-President of Defence for Intellect. He is a non-executive Director of Triton Gold which was one of the few successful resource IPO's on the ASX in 2009 and is also a non-executive Director of Quickstep Holdings, which is a technology based GRP manufacturer to the Defence industry. Mr Singleton has over 20 years international business experience in senior executive roles, primarily in Europe, USA and Australia.

Mr. Singleton has a degree in Mechanical Engineering from University College London.
